Dear Dr. Mosier:

CMS approves your request for an amendment of Kansas' Intellectual/Developmental Disabilities (I/DD) Home and Community-Based Waiver. The State requested to integrate the services provided under this waiver with the State's Section 1115 KanCare Demonstration Project, effective January 1, 2014. KanCare is an integrated delivery system in which nearly all Medicaid services, including services provided under this waiver, will be provided through the KanCare health plans. Additionally, pursuant to Special Terms and Conditions of the KanCare 1115 demonstration program, this amendment incorporates performance measures that are consistent with the quality measures included in the KanCare 1115 demonstration-based managed care delivery system.

This waiver has been assigned control number **0224.R04.04**. This number should be used in any subsequent correspondence.

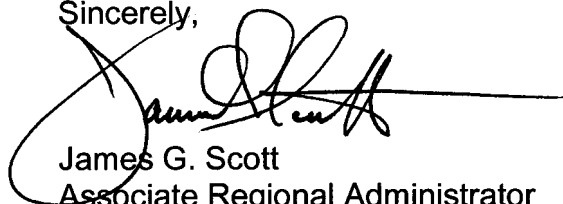

Based on the assurances and information you provided, CMS approved the waiver amendment on January 31, 2014 with an effective date of February 1, 2014. The following estimates of unduplicated waiver recipients and the average per capita cost of waiver services have been approved:

<u>Period</u>	<u>Year</u>	<u>Unduplicated Recipients</u>		<u>Factor D</u>	<u>TOTAL</u>
7/1/2013-6/30/2014	5	9,100	X	\$43,622.59	\$3,969,655.69
